(If short, insert here. If lengthy, write on separate sheet and attach.)

On August 2, 2022, the defendant violated curfew by leaving his residence. When questioned by this officer, the defendant was not truthful as he claimed he was taking out the trash. The defendant's location monitoring indicated otherwise. On August 9, 2022, the defendant tested positive for Marijuana and Cocaine. On August 11, 2022, the defendant failed to appear for substance abuse testing. On August 22, 2022, the defendant tested positive for Cocaine. On August 25, 2022, the defendant stalled his drug test. On September 1, 2022, the defendant admitted to using Cocaine six or seven times since his release on bond and reports he has purchased the substance on two occasions. On the same date, the defendant admitted to not taking his mental health medications consistently.

On September 1, 2022, the defendant signed a consent to modify his conditions of pretrial release in order to receive assistance with substance abuse treatment. As such, the U.S. Probation Office would respectfully present the Court with a petition adding the below condition: (7)(o) The defendant must participate in a program of inpatient or outpatient substance abuse therapy and counseling if directed by the pretrial services office or supervising officer.

PRAYING THAT THE COURT WILL ORDER THE MODIFICATION OF CONDITIONS OF RELEASE AS NOTED ABOVE.
